

Conference Programme – Day 1 – Wednesday 24th June 2026

Oral presentations, symposia, and workshops

Time	SN100 Auditorium	SN200 Auditorium	SN201 Auditorium	SN202	SN203	SN204
08:00-09:00	Registration Desk open					
09:00-10:15	<p align="center">Opening Ceremony</p> <p align="center">Keynote 1</p> <p align="center">Dr Heljä Lundgren-Laine Director, Nursing Research Center, Helsinki University Hospital Finland</p> <p align="center">"Building a Research-Driven Future - Clinical evidence and its implementation for the best of the patient"</p>					
10:15-11:05						
11:05-11:30	Coffee Break (and Poster viewing)					
	Session 7.1	Session 1.1	Session 4.1	Session 6.1	Symposium 1	Workshop 1
11:30-11:50	<p>204: Colorectal Screening: Can the Advanced Practice Nurse Contribute to Optimizing the Process? Patrizia Parolini</p>	<p>50: Supervision from the Heart: Nursing Leadership through Caring Theory and Postgraduate Supervision Charlene Downing</p>	<p>348: Observing Eco-Emotions and Climate-Related Mental Health in Health Professionals' Education Liina Tuominen</p>	<p>144: ICU nurses' job satisfaction as a predictor of person-centered care: structural equation modelling Natalia Sak-Dankosky</p>	<p>319: Nurses as second victims of patient safety events Marja Härkänen</p>	<p>208: Updating the Good Reporting of Mixed Methods Studies reporting guidelines: GRAMMS 2.0 Frank Kiwanuka</p>
11:50-12:10	<p>60: Ambulatory nursing care as a complementary model in the management of chronic wounds Anna Hepa-Banasik</p>	<p>377: Establishing a European Nursing Ethics Committee: Values, Voices, and Vision Tiago Casaleiro</p>	<p>14: Training in Computerized Technology for Nurses to Maintain Sustainability in the Health System Becky Tsarfati</p>	<p>245: Co-designing the social prescribing intervention for people with multiple sclerosis Jenna Poraharju</p>		
12:10-12:30	<p>26: Stop the Bleed: Training Newly Hired Emergency Nurses at RUSH University Medical Center's ED Susana Prestinary Alvarado</p>	<p>343: Emergency Management and Disaster Preparedness: Proficient Nurse Leaders in Incident Command Centers Judith Zedreck Gonzalez</p>	<p>79: Material Deprivation and Caring Roles: Gendered Dimensions of Inequality Roosa-Maria Savela</p>	<p>83: Evidence-Informed Experience-Based Co-Design Framework for Developing Palliative Care Interventions Osborn Owusu Ansah</p>		
12:30-13:30	Lunch (and Poster viewing)					

Conference Programme – Day 1 – Wednesday 24th June 2026

Oral presentations, symposia, and workshops

13:30-14:20	<p>Keynote 2</p> <p>Dr Tinne Dilles Professor, University of Antwerp Belgium</p> <p>"Unlocking Quality: The Untapped Potential of Nurses in Pharmaceutical Care"</p>					
14:20-14:40	Break (and Poster viewing)					
	Session 2.1	Session 8.1	Session 3.1	Session 5.1	Symposium 2	Workshop 2
14:40-15:00	359: Healthcare Workers' Well-being and Pediatric Care Quality: Preliminary BENE-PED Results Ilaria Artuso	347: Fuzzy Delphi method in nursing research: example of gathering expert views on mental health chatbots Heidi Nieminen	9: Negative Emotional Responses Among Nurses after Medication Errors: A Mixed-Methods Systematic Review Afifeh Khosravi	180: Latent Profiles of Altruism and Association with Professional Calling among Chinese Nursing Students Mengli Xu		
15:00-15:20	367: Computer Modelling of Nurse Workload to Support Safe Staffing and Care Quality Sue Bookey-Bassett	268: Adaptation of the Ethical Conflict Nursing Questionnaire Critical Care to Acute-Chronic Care Corina Elena Luca	195: Factors Affecting First-Attempt Success in Peripheral Intravenous Catheter Placement Gülsün Özdemir Aydın	141: Competency-Based Education – A Quasi-Experimental Study in Nursing Education at a Master of Science Dhurata Ivziku	95: Knowledge of Future Nurse Leaders Tarja Kvist	303: Mentoring in Nursing through Narrative Stories Across the World: A Workshop Thóra Hafsteinsdóttir and Nancy Rollins Grantz
15:20-15:40	358: Role Optimization of the Licensed Practical Nurse in the Operating Room: A Multi-Methods Study Sherry Espin	344: Holistic Admission Review in South African Nursing Education: An Online World Café Methodology. Christel Joubert	356: The Second Victim Phenomenon in Healthcare: An Integrative Literature Review Panagiota Tsikala	121: Predictors of Nursing Students' Acceptance of Using Artificial Intelligence in Their Education Maliheh Poorkiani		
15:40-16:00	Coffee Break (and Poster viewing)					

Conference Programme – Day 1 – Wednesday 24th June 2026

Oral presentations, symposia, and workshops

	Session 7.2	Session 1.2	Session 3.2	Session 6.2	Session 2.2	Workshop 3
16:00-16:15	20: Barriers to Physical Assessment Skills Among Undergraduate Omani Nursing Students Devanprabudoss Jesudoss	247: Can Government Chief Nursing & Midwifery Officers influence people centred health policy? Charlotte McArdle	301: Pressure ulcer prevention – Does evidence guide nursing practice? Tarja Tervo-Heikkinen	109: Determinants of parental readiness for home care of premature infants Małgorzata Nagórska	353: Family Engagement in Inpatient Care: Exploring the Experiences of Nursing Staff and Family Members Sabaa Masarwe	
16:15-16:30	243: Development and Evaluation of a Mobile Application for Cardiac Surgery Patients and ICU Nurses Berrin Pazar	212: Development of a complex intervention to facilitate interprofessional collaboration in Stroke Center Fabrizio Pelagagge	23: Effect of Three Nasogastric Tube Fixation Materials on Pressure Injury in ICU Patients Nuray Turan	241: Relationship Between Intensive Care Experiences and Spiritual Well-Being Among Transferred Patients Cansu Polat Dunya	351: Developing Occupational Well-being: Experience from Tallinn Health University of Applied Sciences Kadri Kööp	379: Building Leadership and Project Skills: A Dual-Level Support Model for Clinical Nurse Leaders
16:30-16:45	307: The Relationship Between Missed Nursing Care and Compassionate Care Perceptions of Oncology Patients Aysel Özsan	332: Cross-Country Comparison of Nurses' Attitudes Toward Adults Aged 80+ and perception of care Gerhilde Schüttengruber	68: Contact Shaping Nurses' Attitudes Toward the Oldest-Old: Findings from a Cross-Sectional Study Lena Maria Lampersberger	264: Patient engagement in developing educational pictographs about chemotherapy induced-neutropenia Konstantinos Angelopoulos	330: A community-based occupational well-being intervention among health care educators – a pilot study Anneli Vauhkonen	Susanne Maassen and Linda den Breejen – de Hooge
16:45-17:00	293: Exploring Mining Occupational Health Nurses' Experiences and Expectation of Continuing Education Juli Prasetyono	310: Leadership Development in Undergraduate Nursing Students: Cross-National Study 6 European Countries Joanna Pereira Sousa	242: Pediatric Vital Sign Assessment in Prehospital Care: Experiences of Advanced-Level Paramedics Riikka Rouvinen	225: A conceptual model of family nursing with a child's perspective Laura Ortju	316: Agitation in patients with Alcohol-related Dementia in long-term care: a cross-sectional study Mirjam van Dam	
19:00-20:30 Conference Reception in Kuopio City Hall						

Time	SN205
Poster session 1 Theme 5: Health pedagogy and technology	
11:30-12:30	<p> 48: Digital postpartum depression screening and treatment: Women's preferences and Cultural differences 262: Development and Evaluation of a Mobile Application for Children Undergoing Surgery: A Study Protocol 357: Promoting Interprofessional Education to Support Integrated Stroke Care using Virtual Simulation 313: Knowledge and Perceptions of Augmentative and Alternative Communication Among Nursing Students 296: Undergraduate oncology nursing education in Finnish universities of applied sciences 27: Artificial Intelligence in Advanced Practice Nursing Education: Opportunities and Future Directions 236: Pedagogical models for language-supported nursing education for CALD students 22: Determining the Effect of Mobile Learning for Nursing Students' Related to Time Management 86: Five Critical Minutes – In Situ Simulation Improves Critical Patients' Care by Surgical Nurses 122: Exploring Haemodialysis Patients' Perspectives on mHealth Self-Management: A Qualitative Study </p>
Poster session 2 Theme 7: Advancing future nursing practice 1/2	
14:40-15:40	<p> 346: Gender Differences in Resilience Predictors Among Family Members of Israeli Soldiers 12: Advancing Nursing Practice Through Robotics: A Synthesis of Evidence from the Literature 370: Nurse-Led Telehealth: Advancing Hepatitis C Elimination and Sustainable Nursing Leadership 148: Smart Documentation or Daily Burden? Nurses' Perspectives on the Electronic Health Record 193: Sickle Cell Disease: Insights and Interventions from a Nursing Perspective 101: Reducing Readmissions in Patients with Drainage: A Nursing-Led Discharge Intervention 36: Integrative Medicine in Gerontological Services: Insights from Multi-Country Survey 38: Older Adults' Experiences of Integrative Medicine: Comparative Focus Group Study in Portugal and UK 284: Understanding the Support Needs of Families Living with a Person Diagnosed with Schizophrenia 108: Measuring resilience and self-efficacy of parents with children with disabilities 311: Transforming Mental Health Nursing Education through Experts by Experience: Students' Perspectives </p>

Poster session 3

Themes 4, 8 & 2: Sustainability in nursing, Methodological innovations in nursing and Healthy workforce 1/2

16:00-17:00

- 327:** Core Competencies for Economic Sustainability and Better Patient Outcomes
- 192:** The Importance and Application of Continuity of Care in Management of Chronic Disorders
- 45:** Integrating Sustainability into Gerontological Care
- 295:** The Finnish colorectal cancer patients' evaluations of exercise counseling
- 112:** Equity in Nurse Distribution in Italy: A Gini Coefficient Analysis
- 282:** Extended Adherence Theory: Longitudinal Evaluation After Coronary Intervention
- 326:** PhD Virtual Connect: Developing a Community of Practice in Nursing Doctoral Education
- 355:** Turkish Version of the Unfinished Nursing Care Survey (UNCS-TR): A Validity and Reliability Study
- 279:** Supporting Newly Qualified Nurses in Italy: Preliminary Findings from the STaR-ITA Project
- 325:** Nurses' Self-Leadership Skills from the Perspective of Workplace Social Skills
- 381:** Keeping Mind in Mind: The Ability to Mentalize in Nursing Science — A Narrative Overview
- 314:** A Multi-Perspective Study about Gen Z Nurses' Career Expectations and Retention Factors in China

Conferende Programme - Day 2 - Thursday 25th June 2026

Oral presentations, symposia, and workshops

Time	SN100 Auditorium	SN200 Auditorium	SN201 Auditorium	SN202	SN203	SN204
08:00-08:30	Registration Desk open					
08:30-08:40	Welcome Day 2					
08:40-09:30	<p>Keynote 3</p> <p>Dr Parveen Ali Professor, University of Sheffield UK</p> <p>"Building the Next Generation: Research Culture, Doctoral Leadership and the Future of Nursing"</p>					
	Panel Discussion	Session 7.3	Session 5.2	Session 8.2	Session 2.3	
09:30-09:50		19: Nurses' Palliative Care Knowledge and Attitudes Towards End-of-Life Care in Oman Eilean Lazarus	342: Innovative Pedagogy in Action: Immersive Virtual Reality for Improving Autism Care Bernice Yee Shui Law	90: A Multidimensional Approach to Reducing Anxiety in Children Undergoing Endocrine Testing Sigal Shtraus	10: The EFFICACY-intervention: results of a longitudinal pilot intervention study Mea Wright	
09:50-10:10	TBA	269: Stroke survivors' needs from the perspective of patients and healthcare team: a qualitative study Monica Bianchi	265: E-Mentoring Program: Partnering Graduate and Undergraduate Nursing Students - Curriculum Integration Ruth Robbio	227: Psychometric Evaluation of the Turkish Support Needs After Intensive Care Questionnaire Cansu Polat Dünya or Kübra Asena Özer	210: Strengthening Disaster Preparedness: Evaluation of an European Fellowship Program for Nurses Susanne Maassen	
10:10-10:30		360: The relation between clinical experience and self-assessed anaesthesia nursing competence in Finland Yunsuk Jeon	250: Developing a Mobile Application to Strengthen Student Nurses' Competence in LGBTQIA+ Care Charlene Downing	363: Challenges recruiting multicultural cancer patients for interview nursing care study Marita Repo	202: Careers of PhD-prepared nurses: A global survey Lisa van Dongen	
10:30-11:00	Break (and Poster viewing)					

Conferende Programme - Day 2 - Thursday 25th June 2026

Oral presentations, symposia, and workshops

	Session 1.3	Session 4.2	Session 2.4	Workshop 4	Symposium 3
11:00-11:20	149: Finnish Version of the Nurse Professional Identity Scale in Nursing Master's Students: A Pilot Study Zhaoyi Huang	214: Empowering Nursing Students and Newly Graduated Nurses in Education, Leadership, and Practice Dajanae Greshem-Ryder	254: Migration Motivation and Transition Experiences of African Migrant Nurses and Midwives Precious Adade Duodu		
11:20-11:40	120: Nursing trainees' perspectives of leadership competencies for the future workplace Maija Huttunen-Lenz	294: Colorectal cancer patients' evaluations of nutrition counseling in their early phase of cancer Saija Sihvola	320: Cultural Competence, Team Climate, Job Satisfaction & Retention in Multicultural Healthcare Teams Hanna Rouvinen	323: Co-designing healthcare: embedding lived experience of chronic pain in research and practice	271: Experiences of multiple-birth families in supporting early interaction after childbirth
11:40-12:00	74: The Influence of Hospital Spiritual Climate on Nurses' Organizational Commitment Martin Červený	137: Nurses as Cultural Brokers in Cancer Screening for South Asians in Budapest Zhenyu Zou	220: Future-Proof Nursing: Preliminary Outcomes of Implementation in a Dutch University Hospital Annika Sterkenburg	Noureen Shivji	Kristiina Heinonen
12:00-13:00	Lunch (and Poster viewing)				
13:00-13:50	<p>Keynote 4</p> <p>Dr Allison Squires Professor, New York University US</p> <p>"Creating Capacity to Internationally Compare Nursing's Development"</p>				
13:50-14:00	Break (and Poster viewing)				

Conferende Programme - Day 2 - Thursday 25th June 2026

Oral presentations, symposia, and workshops

Session 7.4		Session 1.4		Session 3.3		Session 6.3		Symposium 4		The Sigma Europe session				
14:00-14:15	194: Professional Autonomy in the Daily Work of Nurses Katja Pursio	171: The Leadership Mentoring in Nursing Research program for nurse researchers: Outcomes and experiences Lisa van Dongen	335: Pragmatic Evaluation of Fall Prevention Technologies: Impact on Care Quality, Safety, and Costs Minna Mykkänen	253: Giving Birth in Finland: SSA Women's Experiences of Social Support During Pregnancy & Post-Caesarean Emma Kwegyir-Afful						Dr Martin Cerveny Early career researcher Title: Impact in Transcultural Nursing: Leadership & Transformation in Nursing Practice				
14:15-14:30	189: Co-Designing a Prototype Patient Safety Curriculum for University Education of Health Professionals Gizem Acikgoz	341: Developing Future Leadership: Senior Nurse Coaching Predicts New Nurse Success Gilabet Binauhan and Ian Flor Flores	255: Navigating Crisis: Public hospital managers' perspectives on adverse event management Elizabeth Nknosi	151: Decision Satisfaction in Joint Arthroplasty: Patients' Voices from Public Healthcare Maayan Damtov				336: Nursing degrees for first-line managers: protectionist, altruistic, or essential?		Prof Francisco Sampaio Research Title: From Evidence to Everyday Care: Research that contributes to Better Lives in Mental Health				
14:30-14:45	110: Complex Systems and Nursing Leadership: A Systematic Review Ippolito Notarnicola	91: Self-Assessed Interpersonal Communication Competence of Nursing Leadership Students Petra Kämäräinen	78: Nurse Practitioners and Hospital Providers on Safety Ratings and Error Reporting Thomas Kippenbrock	244: Empowerment in Advanced Liver Disease Care Cathy Beresford				Lukas Billiau		Prof Silvia Maria Alves Caldeira Education Title: Teaching Research-informed Compassion: Empowering Nurses for Contemporary Care Challenges				
14:45-15:00		384: Forging a New Path for Nursing Leadership: The Journey of Spain's First Sigma Chapter Clara Cabrera Moreno and Sonsoles Martín Pérez	103: Processing of patient safety incident reports from the perspectives of report handlers Saija Koskiniemi							Dr Marie-Louise Luiking Title: Re-imagining Sigma European region in an uncertain world				
15:00-15:10 Break (and Poster viewing)														
Top 8 poster presentations			Symposium 5			Session 3.4			Session 7.5			Symposium 6		
15:10-15:30					374: Asphyxia due to substandard obstetric care in Finland: 11-year registry study of compensated claims Maija Männistö		249: Nurses' encounters with gay fathers and lesbian mothers in Mother-Child Health Clinics Dan Even							
15:30-15:50		197: Enhancing Intercultural Collaboration in Healthcare with Cross-Disciplinary Education and Research Krista Jokiniemi		115: Nurses' Perceptions of Value, Costs, and Benefits in Adopting a Standardized Nursing Language in EHR Dhurata Ivziku		248: Fundamentals of Care in a mental health hospital setting: a focused ethnographic study Rosangela Carrieri			308: The Parkland CROWN Project: Advancing Culturally Competent Preventive Care Amanda Pitt					
15:50-16:10			81: Managers' perceptions of the factors affecting resident and patient safety work in long-term care Outi Kiljunen			219: Quality care and satisfaction - perceptions of older patients with cancer and family members Minna Launonen								
19:00-22:00 Conference Dinner														

Time	SN204	SN205
<p style="text-align: center;">Poster session 4 Theme 1: Future nursing leadership 1/2</p>		
09:30-10:30	<p>62: Bridging the Gap: Factors Influencing Full-Scope School Nursing Practice in Oman 215: Impact of interprofessional collaboration on chronic patients and caregivers participation to care 364: Preparing Practice-Ready Future Nurse Leaders Using Simulation 376: Stepped-Care Mental Health in Higher Education: Nursing and Collaborative Leadership 152: Growing Together: Mentorship as a Catalyst for Engagement among Novice Nurse Managers 333: A Digital Multisectoral Integrated Management System (IMS) for Acute Care and Service for Elderly 140: Leadership perspectives on Finnish maternity child health clinics: from past to present practice 92: Nurse Leaders' Experiences of Dialogical Leadership – Interview Study 287: Common areas of responsibility in nursing on medical wards 272: The Professional Nursing Management Line in Nurses' Career Management: An Interview Study 105: Nurse Leaders' Perceptions of Extending Nurses' Working Careers</p>	<p style="text-align: center;">Poster session 5 Theme 6: Co-design with patients</p> <p>366: Co-designing a Health Professions Education for Integrated Stroke Care 263: Co-design with patients, a collaborative care model for shared decision-making 64: Advancing Trauma Informed Care in Undergraduate Nursing Simulations 375: Family Nursing Interventions Strategies for Children with Non-adherence to Antiretroviral Treatment 97: Memory Disorders and Pain Assessment in Long-Term Care 201: Experiential expertise of people with cancer: A qualitative systematic review 299: Patient-Reported Outcomes in Gender-Affirming Surgery: Empowerment, Resilience, Self-Care Efficacy 382: Co-designing Digital Learning Tools for Patient Self-Catheterization 329: Co-designing breastfeeding support solutions with the people who know best 292: "Speak to Me, Not Past Me": Communication as the Bridge Between Patients and Healthcare 168: Risk Factors of Cognitive Impairment in Breast Cancer Survivors: A Cross-Sectional Study</p>
<p style="text-align: center;">Poster session 6 Themes 1 & 2: Future nursing leadership 2/2 and Healthy workforce 2/2</p>		
11:00-12:00	<p>252: The role of nurse leaders at the strategic management level in wellbeing service counties 285: How Nurse Leaders' Practices shape the work environment: A cross-sectional study in healthcare 150: Self-leadership skills of nurses as described by nurse managers –Interview study 104: Building Future Nursing Leadership Through Standardization in Simulation Education 111: Nursing Theory of Complex Adaptive Systems (NTCAS): Advancing Leadership in Healthcare 76: Crown Prince Nursing Program: A Saudi Strategic Approach to Elevate Nursing and Midwifery 42: Nursing Students' Experiences of Emotional Intelligence Training: A Focus Group Evaluation 116: Middle Nurse Managers' Job Satisfaction: A Qualitative Study Across Hospital and Community Settings 309: Using self-administered hand massage to facilitate relaxation in prelicensure nursing students 125: Finnish Nurses' Professional Identity: The Role of Pride and Work Experience 385: Nurse–Nurse Collaboration and Burnout: A Pilot Correlational Study</p>	<p style="text-align: center;">Poster session 7 Theme 7: Advancing future nursing practice 2/2</p> <p>96: Individual Values Mediating Fear of Childbirth and Prenatal Breastfeeding Self-Efficacy 136: The Predictive Role of Domestic and Obstetric Violence on Birth Expectations and Experience 372: The Relationship of the Birth Parent's Depression to the Experience of Motherhood 82: Minority Stress Experiences of Sexual and Gender Minority Adults in Finnish Healthcare 349: Validation and reliability assessment of the Austrian Nursing Professional Values Scale (NPVS-3) 224: Non-Pharmacological Management of Fecal Incontinence in Multiple Sclerosis: A Scoping Review 21: Resilience, Social Support, and Health Behavior in Adolescents With Moyamoya Disease 322: Systematic Review of Cognitive Performance among Family Caregivers 324: Bridging Research and Practice: The Role of a Knowledge Broker in Implementing Evidence</p>
<p style="text-align: center;">Poster session 8 Theme 3: Safety in nursing</p>		
14:00-15:00		<p>317: Patient participation in psychiatric hospital care 196: TR Band Duration, Pain, and Comfort After Transradial Coronary Angiography 240: Contributing Factors to Workplace Violence in Forensic Psychiatry: Evidence from Incident Reports 354: Mutual Empathic Communication as a Catalyst for Nurse–Family Therapeutic Partnership 16: Understanding Common Patient Safety Incidents: Insights from Qualitative and Reported Data in Brazil 222: Risk prediction model for cognitive frailty in elderly diabetic foot ulcer patients 352: Staffing factors compromising medication safety – multimethod study 114: Educational Observation - Enhancing Safety in Medication Administration 200: Construction of risk prediction model for intraoperative acquired PI in different surgical positions 290: Psychiatric nurses advocating for the human rights of mental health care users in Gauteng</p>

Conference Programme - Day 3 - Friday 26th June 2026

Oral presentations, symposia, and workshops

Time	SN100 Auditorium	SN200 Auditorium	SN201 Auditorium	SN202	SN203	SN204
08:00-08:30 Registration Desk open						
	Session 1.5	Session 7.6	Session 2.5	Session 5.3	Symposium 7	Workshop 6
08:30-08:50	286: A concept analysis of self-leadership: The “bleeding edge” in nursing leadership Nompumelelo Ndlovu	88: Assessing digital competencies of clinical nurses: a descriptive study Anton Grmšek Svetlin	297: Work Attractiveness and Wellbeing among Licensed Practical Nurses: A Nationwide Study Mia Roos	107: Enhancing Academic and Psychological Safety in Simulation Pedagogy Liz Kingston		
08:50-09:10	339: The job content of head nurses in a hospital setting: A scoping review and Delphi study Lukas Billiau	80: Advancing Nursing Practice for First-Time Mothers with Partners in Military Service During Wartime Yifat Findling	216: Predicting career adaptability in first-year nursing and midwifery students: A longitudinal study Shimeng Dai	99: Integrating AI into Communication Pedagogy: Qualitative Results of a Pilot Study April Nelson	100: Designing and validating a motivation-driven gamification intervention to enhance exercise adherence Guoli Zhang	43: Qigong for Nurses: Enhancing Well-being through Mind–Body Practice Tiago Horta Reis da Silva
09:10-09:30	8: We have zero tolerance towards workplace bullying - significant savings by “tackling” turnover Essi Paulamäki	75: A Caring programme to facilitate comprehensive care for the LGBTQIA+ community in hospitals Linda Mutenga	163: How does second victim distress impact the work-related outcomes among healthcare professionals? Sanu Mahat	119: Effects of Spaced Repetition in Biochemistry on Omani Nursing Students’ Learning Outcomes Mickail Joseph		
09:30-10:00 Break (and Poster viewing)						

Conference Programme - Day 3 - Friday 26th June 2026

Oral presentations, symposia, and workshops

	Session 7.7	Session 2.6	Session 3.5	Workshop 7
10:00-10:20	46: The Impact of Postpartum Depression on Infant Development: Insights for Advancing Nursing Practice Samira Alfayumi-Zeadna	179: Scrub nurses at the core of surgical safety-workforce challenges and educ. innovations from Serbia Dragana Tanasić	337: Fall Prevention Technologies: A Systematic Review of Clinical Impact and Economic Value Fatma Al Jabri	
10:20-10:40	17: Nursing PhD Research Across Eight Countries: A Cross-National Thematic Analysis of Doctoral Theses Francisco Sampaio	291: Integrating Work Wellbeing into Daily Practice: A Multidisciplinary Intervention in a Cancer Ward Marko Kaira	15: Supervised Machine Learning Techniques for Predicting the Risk of Adverse Events: A Scoping Review Claire Nierva Herrera	87: Simulation as a Tool for Enhancing Neuropathic Pain Recognition and Assessment by Nursing Staff
10:40-11:00	283: Tailoring a Nurse-Led Digital Self-Management Program for Chronic Lung Disease Xiaoyue Song	40: Measuring Emotional Intelligence in Nursing Students: A Cohort-Level Analysis Using the SCALE® Tool Tiago Horta Reis da Silva	89: Improving Patient Safety in Interprofessional Pharmaceutical Care: Barriers and System Solutions Marko Petrović	Igal Zlatkin
11:00-11:30	Break (and Poster viewing)			
11:30-12:30	Closing Ceremony
