# SCHOOLS AS DRIVERS OF CHANGE

Building Young Students' 21st Century Capacity through School-driven Community Change Actions

ISSUE NO 2 | July 2022

## Meeting in Greece 11-13 November 2021

### PLATON SCHOOL, KATERINI

**This time we spend together : Teachers, Researchers and our Students.**

Our Intellectual Outputs:

Output 1 - Engaging in Community Change

Missions

Output 2 - How Are We Progressing

Output 3 - Driving the Change!

### WORKSHOPS DURING THIS TIME

In output 1 Teachers, Researchers, Students worked together creating their perfect utopia. That was a really creative, demanding task.

In Output 2 We saw the movie made by Pasvalio School what they are doing for environment to be school drivers. We saw local activities around their school.

In Output 3 Hands-on workshop for students' empowerment towards driving the change they want to see. Teachers and researchers walked around the corridor and answer the questions writing on the wall to show their point of view and how to achieve the goals.
